

## **EM-Assist Joint Venture, TEM Solutions, Wins Small Business Alliant Government-wide Acquisition Contract**

**FOLSOM, CA – February 27, 2009** – TEM Solutions, a joint venture between EM-Assist, Inc. and Trofholz Technologies, Inc., recently won the Alliant Small Business Government-wide Acquisition Contract (Alliant SB GWAC). TEM Solutions is one of 72 companies nationwide that were awarded this contract.

The Alliant SB GWAC is a competitive multiple award, indefinite-delivery, indefinite-quantity (ID/IQ) contract with a five-year base period and one five-year option period. This \$15 billion contract is designed to provide information management and technology solutions to federal government agencies, and it offers advantages to pre-qualified businesses by providing opportunities to compete amongst a defined group of contract holders.

Joe Ilagan, Alliant SB GWAC Program Manager for TEM Solutions, says, “The Alliant Small Business GWAC represents a significant opportunity for TEM Solutions and our team members to develop a partnership with GSA [General Services Administration] and support the agency’s mission to provide comprehensive information management and technology products and support services to government agency clients.”

### **ABOUT TEM SOLUTIONS**

TEM Solutions is a joint venture between EM-Assist, Inc. and Trofholz Technologies, Inc. The name “TEM Solutions” was established because both EM-Assist and Trofholz Technologies specialize in delivering Technology and Engineering Management solutions to government clients.

### **ABOUT EM-ASSIST**

EM-Assist, Inc. is government’s trusted partner for environmental program management, technical support, and training solutions. The company helps clients cost-effectively address their most challenging environmental compliance, information management, conservation and planning, and restoration needs. EM-Assist also helps clients deliver the right training to the right people at the right time by blending custom eLearning courseware with instructor-led training, and by providing efficient training program administration through powerful, easy-to-use learning management systems. EM-Assist, founded in 1996, is headquartered in Folsom, CA and has 120 professionals in multiple offices throughout California, Utah, and Colorado. Additional information can be found on the company’s Website located at [www.EM-Assist.com](http://www.EM-Assist.com).

### **ABOUT TROFHOLZ TECHNOLOGIES**

Trofholz Technologies, Inc. is a leading provider of information technology and training solutions, including information systems, security systems, and interoperability communications. The company is a certified 8(a), Woman-Owned, Service Disabled Veteran-Owned Small Business. Trofholz Technologies, founded in 2001, is headquartered in Rocklin, CA and has operational locations throughout the United States. Additional information can be found on the company’s Website located at [www.TTI-Tech.com](http://www.TTI-Tech.com).
